The diagram is a structural floor plan of a staircase section, labeled 'A' at the top and bottom. It shows a grid of structural elements. Vertical lines are labeled CO3 on the left and right, and CO4 at the bottom. Horizontal lines are labeled TP3 at the top and bottom. Diagonal lines are labeled TS4 on the left and right, and TS2 in the center. A central square area is marked with an 'X'. A circular area at the bottom center is labeled 'NODO D'. A section line 'A-A' is indicated by arrows pointing from the top and bottom towards the center. The plan shows a series of stairs and landings, with a central vertical core and a horizontal cross-section at the bottom.

SEZIONE A-A

The diagram is an elevation view of the staircase section, labeled 'A-A'. It shows a series of stairs and landings, with a central vertical core and a horizontal cross-section at the bottom. The stairs are shown in profile, with a series of steps and landings. The section is bounded by vertical lines on the left and right, and horizontal lines at the top and bottom. The stairs are shown in a series of steps, with a central vertical core and a horizontal cross-section at the bottom.
